About The Cove

Welcome to The Cove, a unique and charming community within walking distance to the new Evans Farm Marketplace.

The Cove offers 1 and 2 bedroom ranch-style apartments with covered patios and attached garages. Be prepared to fall in love with your new home!

Evans Farm Marketplace proudly introduces to you the next phase in New Urbanism Living. New Urbanism is characterized by a planning and development approach based on the principles of how cities and towns had been built for the last several centuries: walkable blocks and streets, housing and shopping in close proximity, and accessible public spaces. In other words: New Urbanism focuses on human-scaled urban design.
