About The Flats

Welcome to The Flats; a vibrant new concept to Lewis Center. When minutes matter. Live where you work and play.

The Flats offers 1-, 2-, and 3-bedroom apartments with balconies. Located above retail space, you will have local businesses, restaurants, and shopping all within walking distance.

Evans Farm Marketplace proudly introduces to you the next phase in New Urbanism Living. New Urbanism is characterized by a planning and development approach based on the principles of how cities and towns had been built for the last several centuries: walkable blocks and streets, housing and shopping in close proximity, and accessible public spaces. In other words: New Urbanism focuses on human-scaled urban design.
